

Decipher[®]

PROSTATE GENOMIC CLASSIFIER

Bringing Clarity and Confidence to Your Prostate Cancer Care

Why Did My Doctor Order Decipher Prostate?

HIGH
RISK

INT
RISK

LOW
RISK

Decipher Prostate:

- Is a genomic test that provides important information about the underlying biology of your tumor.
- Provides a more accurate understanding of your tumor's aggressiveness.
- It helps you and your doctor see beyond clinical risk factors like PSA level, Gleason score, and tumor stage.
- Is performed on tumor tissue collected during your biopsy or radical prostatectomy.
- Does not require an additional medical procedure.

Decipher brings you and your physician the confidence needed to help determine an optimal plan of care

**Clarity &
Confidence**

Learn More

Decipher Testing Insurance Coverage

What to Expect From The Insurance Process

1

A claim is submitted to your insurer

2

You will receive an Explanation of Benefits (EOB) from your insurer*

*This is not a bill

3

In many cases, insurance pays for the complete cost of the test

4

In the event your insurance company does not pay for the complete cost of the test, we will appeal it on your behalf

5

After the appeal, if your balance exceeds \$395, you will receive a call from a Decipher Representative to guide you through your options

Medicare covers Decipher Prostate for all beneficiaries with localized prostate cancer

Decipher Prostate is included in the **NCCN guidelines** and is covered by **major insurance plans** throughout the US

Financial assistance is available via the **Decipher Assist Program***

*see back panel for more information

Decipher Assist

We are committed to ensuring access for all eligible patients

We offer two programs to ensure testing is affordable for patients:

1. **Financial assistance** for patients with demonstrated financial need
2. **Tailored payment plans** to accommodate certain financial circumstances

Financial Assistance

- Designed for qualified patients with commercial insurance
- Patients may be eligible for a reduction to non-covered costs
- Eligibility requirements include:
 - Determination of medical necessity for Decipher testing by a physician
 - Completed Decipher Assist application
 - Financial qualification

Household Size	Cost to Patient		
	\$0	\$100	\$295
1	\$38,640	\$51,520	\$64,400
2	\$52,260	\$69,680	\$87,100
3	\$65,880	\$87,840	\$109,800
4	\$79,500	\$106,000	\$132,500
5	\$93,120	\$124,160	\$155,200
maximum household income*			

Payment Plans

- Customized for patients at specific income levels

*Decipher Assist eligibility is based on total annual household income, insurance status, and household size. Some eligibility restrictions apply. Decipher Assist offers certain Decipher tests at a reduced cost to eligible applicants except where otherwise restricted. Residents of the United States, District of Columbia and Puerto Rico are eligible to apply. Decipher Assist does not constitute health insurance. You must meet certain income requirements set forth above. We may request documentation to verify your income, including recently filed tax returns and other supporting documentation. By requesting assistance, you certify, to the best of your knowledge, that you are eligible for assistance and that you have insufficient financial resources to pay for the ordered test. We may discontinue or change this program at any time for any reason without notice.
