Residents of the United States, District of Columbia and Puerto Rico are eligible to apply. The Assist program does not constitute health insurance. You must meet certain income requirements set forth above. We may request documentation to verify your income, including recently filed tax returns and other supporting documentation. By requesting assistance, you certify, to the best of your knowledge, that you are eligible for assistance and that you have insufficient financial resources to pay for the ordered test. We may discontinue or change this program at any time for any reason without notice.

Decipher testing is performed by Decipher Corp., a Decipher Biosciences company.
